

ADDENDUM TO THE 45-DAY NOTICE

OAL File No. Z-2020-0406-01

The Notice of Proposed Action on Regulations (Notice) was published in the California Regulatory Notice Register on April 17, 2020. The notice was mailed and emailed, and posted at facilities and enterprises in addition to being posted on the CALPIA website. A public hearing was not scheduled nor requested by any person.

During the 45-day comment period, no comments were received. No written comments were received during the public comment periods. There were no requests for notice of this rulemaking.

On July 27, 2020, CALPIA posted to its website the Notice which was published in the Notice Register in place of alternate version which had been posted on CALPIA's website.

The 45-day notice that was posted on CALPIA's website from 4/17/2020 to 7/27/2020 should be disregarded. Reference should be made instead to the notice published in the California Regulatory Notice Register on April 17, 2020. The following statements clarify or correct statements made in the 45-day notice published in the California Regulatory Notice Register:

Under the heading "Informative Digest" is a sentence that states the following with respect to the Offender Job Change Request Form (Rev. 3/29/16 Rev. A, SOMS F001: "The Offender Job Change Request Form is for internal management and is included for information." This sentence is hereby deleted.

Under the heading "Anticipated Benefits of the Proposed Regulation," the second bulleted paragraph states the following: "Facilitate operations and increase placement of inmate workers in assignments by adding language to 8004.2 to affirm that the process of submitting names from the Inmate Candidate Pool for inmate workers does not require manager approval and signature authorization." This statement is hereby deleted.

Under the heading, "Benefits of Proposed Action," the second bulleted paragraph states the following: "Facilitate operations and increase placement of inmate workers in assignments by adding language to 8004.2 to affirm that the process of submitting names from the Inmate Candidate Pool for inmate workers does not require manager approval and signature authorization." This statement is hereby deleted.
