# **AUTHORITY AND REFERENCE**

**Penal Code Section 2800:** In 1982, the California Legislature restructured the Department of Corrections' industries and vocational training program for incarcerated individuals abolishing the Correctional Industries Commission and replacing it with the newly created Prison Industry Authority (PIA) (subsequently renamed CALPIA) under the direction of the Prison Industry Board.

**Penal Code Section 2807(a):** Section 2807(a) provides that CALPIA is authorized and empowered to operate industrial, agricultural, and service enterprises which provide products and services needed by the state, or any political subdivision thereof, or by the federal government, or any department, agency, or corporation thereof, or for any other public use. By giving CALPIA these duties and power by statute, rulemaking authority is implicitly delegated to adopt those rules and regulations necessary for the due and efficient exercise of a duty or power expressly granted.

**Penal Code Section 2802:** Section 2802 provides for the existence of a Prison Industry Board (PIB).

**Penal Code Section 2808**: Section 2808 provides the PIB, in the exercise of its duties, all of the powers of and to do all of the things that the board of directors of a private corporation would do.

State Departments have been given "Quasi-Legislative" powers to adopt rules (regulations) that are consistent with state law so that they can run the programs they that are responsible for. One court

opinion described this as the power to "fill in the details" of the state statute(s) that empower a department to operate a program. *Helene Curtis, Inc. v. Assessment Appeals Bd.* (1999) 76 Cal.App.4<sup>th</sup> 124. By the implied terms of Penal Code Sections 2802, 2807, 2808 and 2809, CALPIA and the PIB have the authority to adopt regulations to implement, interpret, make specific or otherwise carry out the provisions of these statutes.

#### **INFORMATIVE DIGEST:**

The California Prison Industry Authority (CALPIA) and the California Prison Industry Board (PIB) propose to repeal sections 8111 and 8112 of Title 15. Originally enacted in 2015, Sections 8111 and 8112 have not had any substantial regulatory changes made since that time. These regulations have been determined to be unclear, cumbersome, outdated, potentially confusing, inconsistent, and duplicative. Existing laws, regulations and court decisions address the topics covered in Section 8111 and 8112. For these reasons, it is necessary to repeal Sections 8111 and 8112. This proposed regulatory action is intended to address these issues by repealing the older and duplicative version.

### POLICY STATEMENT OVERVIEW:

The repeal of Sections 8111 and 8112 is necessary to ensure consistency with the Americans with Disabilities Act (ADA) and the Fair Employment and Housing Act (FEHA) to remove duplicative regulations, and to reduce the possibility of confusion with the regulated community.

# <u>Anticipated Benefits of the Proposed Regulation:</u>

The repeal of these regulations will result in consistency, clarity, and eliminating duplicative regulations providing for a more streamlined and efficient regulatory scheme. The proposed regulatory change will modernize, clarify, and streamline existing regulations to repeal unnecessary regulations. Removing Sections 8111 and 8112 benefit those affected, CALPIA employees, by eliminating unnecessary regulations which are not consistent with or are duplicative of existing laws, regulations, and court decisions. As a result, no CALPIA regulations are required to apply the requirements of Sections 8111 and 8112. Repeal will also reduce confusion that could result from inconsistent regulatory provisions concerning reasonable accommodation and modified duty assignments.

# **Evaluation of Inconsistency/Incompatibility with Existing Regulations:**

After conducting a review for regulations that would relate to or affect this area, CALPIA has concluded that deleting these regulations eliminates inconsistent and/or incompatibility with existing laws and regulations and is therefore necessary.

# **Mandated by Federal Law or Regulations:**

The proposed deletion of Sections 8111 and 8112 is not federally mandated.

# DISCLOSURES REGARDING THE PROPOSED ACTION
